Summer Event Series

On Thursday, July 10th the agency kicked off its Summer Event Series with a "Night at the Hall". This evening was aimed to celebrate local talent and foster community engagement.

The event featured performances from CLSM Idol participants, followed by a live show from local band, The Dunning Butchers, concluding with music from Koop, a local DJ.

Big shout-out to the owner and staff at the Bracebridge Hall for hosting this event and promoting unity and inclusivity within the community.

With everyone's support this event raised \$2100.
